Graham Clarke : Success with Water Gardens (Success with Gardening) before purchasing it in order to gage whether or not it would be worth my time, and all praised Success with Water Gardens (Success with Gardening):

Waterfalls pouring from a stone wall onto rocks below. Water jets spurting over a pond. A small fountain splashing and bubbling onto a pebble base. Who can resist the calming appeal of water? You dont have to: its easy to bring this dazzling feature into your garden, thanks to the sound advice and full color photographs packed into this inspirational, practical guide. Its an invaluable reference for every aspiring water gardener, with all the construction instructions and facts on liners, pumps, filters, season-by-season maintenance, and projects. After learning how to get started, youll find out about extras to include, cleaning the water, adding hardy fish, keeping koi, and attracting wildlife. An

illustrated A-to-Z directory of water plants rounds out the discussion.

About the Author Graham Clarke trained with the Royal Horticultural Society and worked in the gardens at Buckingham Palace. He has been writing for 25 years and is the author of a number of books, including: *Success with Roses*, *Success with Shade-Loving Plants* and *Beginners' Guide to Water Gardening*. He is also well-known for his contributions to magazines such as *Organic Life*, *Gardens Monthly* and *The Garden* (RHS).
