On bonsai and lifeBy CustomerAll of Peter Adam's bonsai books are worth owning especially now when you can pick up such gems like this for 4\$.I will have all the Adam's books I own along with my other bonsai books until I cease to exist.Maybe through an allowance in my will I will ensure accommodations for several of my trees I cared for the longest to be planted in a advantageous spot in the wild predetermined by me.0 of 0 people found the following review helpful. All Peter Adams books are worth buyingBy Fab2BalivePeter Adams is fabulous0 of 0 people found the following review helpful. Very usefulBy B. MurrayPeter Adams is a gifted bonsai expert and artist. This book offers helpful ideas about styling in an easy to read format.

An illustrated reference book for bonsai enthusiasts who are looking for guidance on how to shape their trees. Horticultural advice is given, but the main emphasis of the book is the aesthetic and practical details of shaping ten species.
