**Willi Benz : Suiseki: The Asian Art of Beautiful Stones** before purchasing it in order to gage whether or not it would be worth my time, and all praised Suiseki: The Asian Art of Beautiful Stones:

0 of 1 people found the following review helpful. well presentedBy miraclebabyOne really has to open one's aesthetic eyes, to this art form, however it is gorgeous. The book is very well done, not quite a coffee table book, but with images that are exquisitely beautiful. Really nice.

Look at a rock: can you see the shadow of a giant boulder or a mountain? Thats Suisekinatures larger forms repeating

themselves in miniature. Here in breathtaking color are magnificent Suiseki stones, and the stunning, imaginative ways they have been arranged and exhibited in parks and gardens. Discover specimens shaped like humans and animals. Learn to create a Suiseki collection necessary tools and how to display them.

About the Author Willie Benz has played a major part in popularising the art of Suiseki in his native Germany and throughout Europe. He is President of the German Suiseki Association. In addition, he serves as Honorary Counsellor of the Bonsai Club of Germany - proving his devotion to yet another popular Asian technique.
