1 of 1 people found the following review helpful. Fantastic for the Layperson!By petreaSummer Fun With Container Creations is exactly that...FUN! The author takes the art of gardening and breaks it down for the layperson. From choosing the correct container to planter layouts, Donna Sagan guides the reader through the entire planting process with an informative, yet, casual tone to her explanations. I've always thought of gardening as a chore. I now look forward to planting season and designing my container creations! When it is suggested that I relax and admire my

creations with a glass of wine or cup of tea; I'm all in!

A simple, yet complete guide to container gardening. The author, Donna Sagen, owns a successful container gardening business that plants and maintains over 600 planters every year. She started her business in 2005 and has 12 years of experience to share. The booklet covers everything from planter selection and placement ideas, to determining sun exposure so you get the right plants, to planter layouts planting tips, to basic care for the plants. Donna includes color illustrations throughout the booklet to give a visual explanation of her ideas. Her website (www.ContainerCreationsPlus.com) and blog go hand in hand with this booklet. The website includes over 200 beautiful pictures of plant combinations you can copy and and the blog gives ongoing support for your planters.
