**Wim Pauwels : Summer Houses** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Summer Houses:

0 of 0 people found the following review helpful. My favourite book! By Lauren Whitbread Out of all of the architecture interior books that I own (including many others by Wim Pauwels) this is the one that I go back to time and time again. I never fail to be inspired each time I pick it up, and it is beautifully made with stunning photos.

About the Author Wim Pauwels, founder and managing director of Beta-Plus Publishing, began putting out a series of books in 1997 about architecture and interior design. So far the company has published more than 250 titles dedicated

to certain themes (such as living rooms, bathrooms, kitchens, children's rooms, antique building materials, restoration, renovation, gardens and swimming pools), plus monographs of architects and interior designers, manuals and yearbooks about timeless and contemporary architecture and interiors. For each book he enlists the assistance of authoritative specialists for the introductory texts and photograph captions.
