Beverley Nichols : Sunlight On The Lawn (Beverley Nichols Trilogy Book 3) before purchasing it in order to gage whether or not it would be worth my time, and all praised Sunlight On The Lawn (Beverley Nichols Trilogy Book 3):

0 of 0 people found the following review helpful. Enjoyed it so muchBy alizarin_readerAfter reading about Beverley Nichols in a gardening blog I borrowed the first book from the library. Enjoyed it so much, that I bought the whole series. Very charming books, with many laugh out loud moments. I give this series of books to friends that anyone gardening, and love cats.0 of 0 people found the following review helpful. The final bookBy Mark D. WiseI liked it, but you knew this was the end to the series of Marry Hall. It had a feeling "of the end."1 of 1 people found the

following review helpful. Beverley Nichols Fanatic Garden Lovers! By Zephyr Fabulous and hilarious and filled with clever bon mots, scenarios and advice Never heard of Beverley Nichols until my sister gave me Merry Hall--part of the Trilogy---now completely addicted and have read every book twice. As relevant and knowledgeable today as it was when written. Greatest gift for gardeners who know how ironic the gardening passion will always be and adore it anyway. The same people will thank you for providing a reason to take a break, rest their bodies and laugh at it all.

Sunlight on the Lawn brings to a close Beverley Nichols's delightful Merry Hall trilogy describing the renovation of his rundown Georgian mansion and its garden.

Be prepared. Beverley Nichols garden books are part PG Wodehouse and part James Barrie full of hilarious Jeeves-like characters and events, with moments of Peter Pan magic. Pacific Horticulture Delightful. . . . best read on a sunny day while lounging in your own garden hammock. Buffalo Spree The Nichols books are gardening classics; after reading one volume, you will want to read the others, so it would be best to buy all three at the outset. Journal of the New England Garden History Society I can think of no better book to start the new century than one that reflects the best of the old in such gracious, entertaining style. Hull Daily Mail First published in 1956. . . . it still holds great charm. Choice In his entertaining and inimitable manner, Beverly Nichols wraps up his trilogy on the renovation of Merry Hall and its garden. American Rhododendron Society Journal Garden vicariously with Mr. Nichols and expect to be captivated. American Rhododendron Society Journal This trilogy is consistently delightful, gentle, witty, and charming. Reading these books is like having your back scratched by your best friend. . . . its all so pleasant, you wish it will never end. Iowa Source The charm of Merry Hall, Laughter on the Stairs (mostly about the house) and Sunlight on the Lawn is undeniable, a mixture of the lyrical, the teasing, the understatedly witty and the self-mockingly camp. Daily Telegraph
