Susan Lang, Sunset Books : Sunset Hillside Landscaping before purchasing it in order to gage whether or not it would be worth my time, and all praised Sunset Hillside Landscaping:

0 of 0 people found the following review helpful. Little variety in optionsBy AnonaMrLimited options and little variety. I recommend you go look at this book at a library or thrift shop to see if it will actually fit your needs.0 of 0 people found the following review helpful. Disappointed.By Customerdid not meet expectations I was looking for. Disappointed.0 of 0 people found the following review helpful. Five StarsBy Kathy PentecostThis be a Great Gift for a New Home Owner

This all-inclusive edition explores landscaping solutions for properties with everything from slight slopes to extreme vertical challenges. Combining creative planning with practical application, Hillside Landscaping offers easy-to-

follow guidelines for designing plant beds and terraces, private steps and paths, serene seating areas, and soothing waterfalls on slopes of varying degrees. *A Guide to Planting* covers plant selection and installation, and includes advice on erosion control, plants for walls and crevices, and other special considerations.
