I have used an older version for years.0 of 0 people found the following review helpful. A Timeless ClassicBy GGWWhat can I say. This is a classic. Took my first edition (1988 version) to a plant swap (2015) and it disappeared. This was ordered as a replacement. I could not go a year without it. Every Western Gardener should have this in their library.0 of 0 people found the following review helpful. but LOVED it.By CustomerI gave away my prior SW Garden Book. Couldn't remember which one it was, but LOVED it....I thought this one was it...it wasn't. disappointed in the contents. Especially when I'm trying to identify a plan. Good price tho.
