**B. Lee Rowell : Survive a Catastrophe in Suburbia Without Firearms, Book 1** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Survive a Catastrophe in Suburbia Without Firearms, Book 1:

Survive a major catastrophe where all utilities and emergency services are lost. Families will learn how to stay safe and thrive, without going to extremes. Whether you plan to "shelter in place" or need to "bug-out" for whatever reason. With or without firearms, families will survive by securing their suburban streets from predators with suburban organizational tactics.
