Dr. John A. Tetsola : Surviving the Spirit of Betrayal before purchasing it in order to gage whether or not it would be worth my time, and all praised Surviving the Spirit of Betrayal:

Betrayal is something that has happened to people since the beginning of time. But in spite of every betrayal that you have experienced, it is important to understand that you can always survive it. This book will inspire, challenge, and teach you how to really survive the spirit of betrayal and recommit again to your assignment with joy.
