Chris Laughton : Tapping the Sun: A Guide to Solar Water Heating before purchasing it in order to gage whether or not it would be worth my time, and all praised Tapping the Sun: A Guide to Solar Water Heating:

This is a step-by-step guide to the process of getting a domestic solar water heating system fitted. It sets out all the

information needed to make an informed choice about where and how to make an installation. It includes sections on components, collectors and storage facilities.
