This is a great guide bookBy coreyThis is a great guide book. Wonderfully comprehensive. Also arrived in good time and in better shape than described. ~ Thanks ~ Corey0 of 0 people found the following review helpful. Five StarsBy M E CVery pleased

This Taylor's Guide sorts out the best heirloom vegetables and tells readers where to find them. These varieties, at least fifty years old, have usually been preserved by regional, ethnic, or family groups, although some, like Golden Bantam corn, are still widely popular today.
