Peter R. Senich, Howard Kyle : Techniques of Safe and Vault Manipulation (The Combat bookshelf) before purchasing it in order to gage whether or not it would be worth my time, and all praised Techniques of Safe and Vault Manipulation (The Combat bookshelf):

0 of 4 people found the following review helpful. wasteBy ksmomof3The info in this book is so old and I would not read this book if it was given to me.

Manipulation is the process of opening a combination lock using only eyes, ears and hands. Movies and TV have created many false ideas about safe manipulation. Manipulation is strictly a mechanical procedure. The technique outlined in this manual utilizes the natural characteristics of the lock mechanism.
