Prices have changed but not the work ethic required to succeed. I've read this twice from library, figured I'd better buy it since I'm reading it again.1 of 2 people found the following review helpful. This book was not written by a 21st Century Edmund Morris; it is written by the 19th Century author Edmund

Morris. By Kindle Customer Please change the author description to the CORRECT Author, Edmund Morris, who lived from 1804-1874. Currently, the author description lists the name of a man that lives in the 21 century.

Ten Acres enough is the classic 1864 book on practical self-reliance and farming on small acreage.
