Shaunna West : The \$50 Home Makeover: 75 Easy Projects to Transform Your Current Space into Your Dream Place--for \$50 or Less! before purchasing it in order to gage whether or not it would be worth my time, and all praised The \$50 Home Makeover: 75 Easy Projects to Transform Your Current Space into Your Dream Place--for \$50 or Less!:

4 of 4 people found the following review helpful. great ideas using stuff I already have!By NY in HoustonThere were a lot of great ideas and easy to follow instructions. Great pictures of the processes as well as the finished product. She also invited some other decorators to share some projects. I haven't tackled a project yet but I have a few in mind. Love that she uses things I have or can get at a garage sale. Definitely worth the price!6 of 7 people found the following review helpful. Sweet book for the beginner.By kymoreA very basic book for someone wanting to learn some painting techniques. I bought two books, one for a friend and one for myself. We love to flea market shop and paint what we find. We were both hoping for some inspiration but were very disappointed... but again, if you are just starting out, it might be perfect. ...It is well laid out, easy to follow and the supply list could be very helpful.2 of 2 people found the following review helpful. Great read - easy instructions - full of great ideasBy Amy FurlongI'm

loving the book! Great read - easy instructions - full of great ideas. I recommend this book to any DIY'er.

Stunning and easy projects for less than \$50 each! With *The \$50 Home Makeover*, you can finally turn your living space into your home!
