W. E. Shewell-Cooper : The ABC of Apple Growing before purchasing it in order to gage whether or not it would be worth my time, and all praised The ABC of Apple Growing:

All aspects of apple growing are dealt with in this handy volume written by an expert on the subject. Thoroughly recommended reading for the budding home gardener, it contains a wealth of information forming a complete how-to

guide. Illustrated with black and white drawings and diagrams. This book contains classic material dating back to the 1900s and before. The content has been carefully selected for its interest and relevance to a modern audience.
