The Japanese Garden Society of Oregon, Kate Jerome : The American Garden Guides: Oriental Gardening

before purchasing it in order to gage whether or not it would be worth my time, and all praised The American Garden Guides: Oriental Gardening:

0 of 0 people found the following review helpful. Two StarsBy sharon kurtzA gift but was td it was very comprehensive and helpful1 of 1 people found the following review helpful. InformativeBy Kate DI found this book very helpful - with a good understanding of Oriental gardening in general as well as specific plants.0 of 1 people found the following review helpful. A good startBy MarkeydusodMuch of the technical detail will not be pertinent to most gardeners as it delves deeply into history and advanced Japanese Garden technique. That said, I live in the Portland area so this book works great for the climate zones I live within. And there's nothing wrong with learning the level of detail that surround these beautiful garden implementations

Experts from the Portland Japanese Garden Society, in collaboration with six other experts from gardens across the country, offer tips on growing and maintaining an Oriental garden, providing advice on 200 plants, including conifers, maples, rhododendrons, mosses, bamboos, and other flowering and foliage plants. 350+ photos, 300 in color.
