Lurelle Guild : The American Home Course in Period Furniture before purchasing it in order to gage whether or not it would be worth my time, and all praised The American Home Course in Period Furniture:

Tan paper wraps with black lettering and image of Windsor chair on the front. Staple bound. 27 pages. Measures 9 inches wide by 12 inches tall. Brief descriptions of different furniture periods with monochrome photographic images to illustrate. Jacobean, Early American, Chippendale, Sheraton, through the Three French Louis and Biedermeier periods, plus others.
