**L.H.D. J. Horace McFarland : The American Rose Annual 1941 (26)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The American Rose Annual 1941 (26):

The 1941 year-book of rose progress. Printed at the start of World War II.Frontspiece note:"The more terrible the conflicts of men the more restful, by contrast, are the quiet phenomena and objects of nature. The need for the solace of growing things is pronounced when troubles convulse the world. There is inspiration and comfort in a rose."L.H. Bailey
