following review helpful. Rip OffBy J. H. KearneyAll three could have been compiled into one book. Most of the ideas are somewhat obvious. It is a rip off of sorts.0 of 0 people found the following review helpful. a great book everyone should have in their survival suppliesBy scorpioThis is a book that is full of information on how to build some very effective weapons with materials around your house or get them at your local hardware and sporting good store for anyone who is gung ho on survival . I plan on buying volumes 2 and 3 next and very soon.
