Ronald S. Barlow : The Antique Tool Collectors Guide to Value before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Antique Tool Collectors Guide to Value:

0 of 0 people found the following review helpful. not as described By marilyn courtade Book was not quite how described, was yellowed and had bent corner cover and small rip. They said "Condition: Used - Very Good - Book is in Very Good Condition" I would consider it good. 1 of 1 people found the following review helpful. Five Stars By Happy Camper Arrived quickly, just as I expected. Thank you. 1 of 1 people found the following review helpful. Four Stars By Germar G. Heitmann Book arrive in very good shape, perfectly fine for my needs and interest!

Old tools to build a civilization are presented in 1485 line drawings in alphabetical order, with detailed descriptions and actual auction prices. Adzes, anvils, augers, ... vices and wrenches appear clearly for good recognition throughout

this book. The popularity of old tools has made them competitive items and there is always something new to learn in the field.
