David Reed : The Art And Craft of Stonescaping: Setting Stacking Stone before purchasing it in order to gage whether or not it would be worth my time, and all praised The Art And Craft of Stonescaping: Setting Stacking Stone:

This handsome book explores dry-stacked stonework, the perfect craft for any homeowner with a yard or garden. With a few basic tools, a pile of stone, and this book, anyone can create stone walls, benches, paths and patios, culverts, steps, and more. How-to color photos and fine illustrations depict every critical step, and a wealth of color photography offers plenty of inspiration.
