Harold Songdahl, Coralee Leon : The Art of South Florida Gardening: A Unique Guide to Planning, Planting, and Making Your Subtropical Garden Grow before purchasing it in order to gage whether or not it would be worth my time, and all praised The Art of South Florida Gardening: A Unique Guide to Planning, Planting, and Making Your Subtropical Garden Grow:

0 of 0 people found the following review helpful. JUST GREAT!By Linda AndersonA Gardening Reference written as a story - an enjoyable read for plant lovers AND you can get all of your gardening questions answered at the same time. JUST GREAT!1 of 1 people found the following review helpful. Great Garden BookBy The GardenerA novel, well-written book that makes care of your garden plants easy to read and understand. Compared to other garden books, even very good ones, this book is a joy to read for the novice gardener up to those who are experienced gardeners. This book creates a standard for other garden books to be judged.0 of 0 people found the following review helpful. Five StarsBy William S. Hartleyone for our library.

Gardeners from Key West to Lake Okeechobee and on up the coasts know that gardening advice for the rest of the country just doesn't apply here. South Florida is unique, and *The Art of South Florida Gardening* is uniquely intended for South Florida gardeners, who have depended on the solid advice in this book since the first edition came out more than a decade ago. Now it has been updated with more helpful facts, tips, and advice for the conservation-conscious gardener of the 21st century, while maintaining the practical, easygoing attitude South Florida gardeners have found so comforting over the years. This book still makes gardening in South Florida inviting and fun, whether you are an old hand or have just moved here and even if you have never before considered getting your hands dirty. Harold's warm, wise voice is always encouraging and enthusiastic, and Coralee's lively engaging prose will have you reading as much for pleasure as for its valuable information.

"With humor, common sense, and whimsy, the secrets of successful gardening are demystified, revealing answers to almost any question the reader might ask."About the AuthorHarold Songdahl is a respected horticulturalist who was known for years as The Tropical Plant Man, as he hosted a popular call-in radio show heard all over south Florida and the Bahamas. Coralee Leon was managing editor of *House Garden* magazine in New York before moving to South Florida.
