Illustrated by Simon Dorrell (author) Donna Schaper : The Art of Spiritual Rock Gardening (Paperback) - Common before purchasing it in order to gage whether or not it would be worth my time, and all praised The Art of Spiritual Rock Gardening (Paperback) - Common:

From choosing the right rocks and plants to weeding and night gardening, this book shows how to start and maintain a rock garden. It describes the sacred meaning of stones and rocks in many of the world's cultures and spiritual traditions, including Stonehenge, Ayers Rock, Western Wall in Jerusalem, Ka'ba in Mecca, Japan's Zen gardens, Europe's cathedrals, America's temples, and Egypt's pyramids.
