Willi Benz : The Art of Suiseki: Classic Japanese Stone Gardening before purchasing it in order to gage whether or not it would be worth my time, and all praised The Art of Suiseki: Classic Japanese Stone Gardening:

32 of 35 people found the following review helpful. Rock ArtBy Rocannon MacGregorBenz does an incredible job of presenting suiseki in a lovely format with loads of pictures of beautiful suiseki. He also provides the aesthetic and practical levels of the ancient art; right down to the tools need and the frame of mind needed to explore this art. Whether you are a beginner or long time collector, you will find this book a worthy addition to your library. I read the book today and I'm on my way out to the mountains to find a new stone tomorrow.3 of 4 people found the following review helpful. Much More Than a Picture Book.....By Beverly LindholmI wasn't expecting all the wonderful how-to

directions so I can create my own Japanese Stone Garden plus all the great photographs. It's going to be a fun winter project and feel like I will succeed with the great tips in this book.

Look at a rock: can you see the shadow of a giant boulder or a mountain? That's Suiseki--nature's larger forms repeating themselves in miniature. Here in breathtaking color are magnificent Suiseki stones, and the stunning, imaginative ways they have been arranged and exhibited in parks and gardens. Discover specimens shaped like humans and animals! Learn to create a Suiseki collection--necessary tools and how to display them.

About the Author Willie Benz has played a major part in popularising the art of Suiseki in his native Germany and throughout Europe. He is President of the German Suiseki Association. In addition, he serves as Honorary Counsellor of the Bonsai Club of Germany - proving his devotion to yet another popular Asian technique.
