**Patrick Spielman : The Art Of The Router: Award-Winning Designs** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Art Of The Router: Award-Winning Designs:

Stresses the versatility and cutting efficiency of this essential tool...describes router bits, tables, and joinery techniques. But most of it is devoted to router projects, as artisans reveal their secret techniques and favorite ways to use the tool. Spielman encourages readers to study and recreate these projects.
