After an introduction of the scroll saw and general tips, Spielman introduces the 37 artists whose work is presented here, complete with color photographs, detailed instructions, and patterns. Among the projects elegantly yet practically presented are a chess set, a Black Forest clock, Christmas ornaments, bookends, puzzles, tables, and bowls.Booklist.

From BooklistThe author of The New Router Handbook (1993), Southwest Scroll Saw Patterns (1994), and other woodworking classics has been using a scroll saw since age 11. In his latest book, he introduces new designs for this tool, which is superb for shaping delicate curves, sharp corners, and ornamental lettering. After an introduction of the scroll saw and general tips, Spielman introduces the 37 artists whose work is presented here, complete with color photographs, detailed instructions, and patterns. Among the projects elegantly, yet practically, presented are a chess
