Ben Pell : The Articulate Surface before purchasing it in order to gage whether or not it would be worth my time, and all praised The Articulate Surface:

1 of 1 people found the following review helpful. beautiful and smartBy Christopher PizziThis is a fantastic book. Scholarly, well-illustrated; smart and insightful essays. This is a must-have for anyone designing a building facade, and anyone thinking about how buildings express ideas and the materials and technologies that enable those expressions.0 of 0 people found the following review helpful. Awesome experience.By Dylan AndersonGreat book! Condition was perfect, as advertised. Quick shipper! Would do business with them again.

Das Ornament gewinnt gegenwrtig in der Architektur einen neuen Stellenwert. Innovative Technologien des Entwerfens und der digitalen Bauteilproduktion verndern seine Rolle radikal. Das Buch stellt in einem systematischen berblick die Verfahren und Strategien der Herstellung und Verwendung des Ornaments dar und beschreibt realisierte Beispiele aus der internationalen Gegenwartsarchitektur.
