Tina Skinner : The Best of Today's Log Homes before purchasing it in order to gage whether or not it would be worth my time, and all praised The Best of Today's Log Homes:

2 of 2 people found the following review helpful. Very nice bookBy DunnygalPurchased for my daughter as a gift. She loves this book. Lots of great pictures and ideas. Highly recommend for anyone that wants to build a log home or just look at them.0 of 3 people found the following review helpful. Five StarsBy James Paul Sainbook

Heres a wonderful opportunity to tour 28 beautiful new log homes without leaving your lounge chair. Sumptuous photographs bring the houses to life, while floor plans act as your guide to every part of the home. This is a tool for anyone who dreams of building a log home, with hundreds of ideas to sift through. These are real homes, chosen for their outstanding designs, tasteful decoration, and real-life, lived-in practicality.

About the Author Tina Skinner has authored many books on architecture and design. The Log Homes Council represents some of the country's finest log home manufacturing facilities and suppliers.
