David Squire : The Bonsai Specialist: The Essential Guide to Buying, Planting, Displaying, Improving and Caring for Bonsai (Specialist Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Bonsai Specialist: The Essential Guide to Buying, Planting, Displaying, Improving and Caring for Bonsai (Specialist Series):

0 of 0 people found the following review helpful. Five StarsBy Mary Lou CohenVery good0 of 0 people found the following review helpful. Very interesting souce of info on how to care your own bonzai tree.By eduardo romeroI have read the book but I haven't started my project yet till now.I also need to see the progress of my friennnds on ther plants so I can have an inspiration that If they can do this I can do it also.0 of 0 people found the following review

helpful. a little too elementary for meBy chankoa little more elementary than I expected and I think the write up suggested. ok for beginners to get a glimpse of what the hobby of bonsai is all about

With topics ranging from watering and feeding to spirit and aesthetics, this is an all-in-one guide to the art of the bonsai. It features advice on looking for and raising trees; handling pests and diseases; using composts; potting; choosing containers; pruning the plants; and displaying them. A convenient A-Z guide covers virtually every species of indoor and outdoor tree.

About the AuthorAlan and Gill Bridgewater have gained an international reputation as producers of gardening and DIY books on a range of subjects, including ponds and patios, stone and brickwork, decks and decking, and garden design. They have written a wide range of highly successful books and contributed to several international magazines. They live in Rye, East Sussex.
