Miranda Innes : The Book Of Candles before purchasing it in order to gage whether or not it would be worth my time, and all praised The Book Of Candles:

DK's new line of paperback titles combines all the qualities of its hardcovers with the advantages of the soft cover format. Each of these already popular books will now be available to a large new readership who will delight in the essential elements of every DK title: clarity, educational value, and visual appeal.

.com For sheer visual impact, it's pretty hard to beat Miranda Innes's impressive book, in which glorious color is set off dramatically against the white pages. Here are all types of candles, including beeswax, decorated, Christmas, and floating varieties, plus many types of holders. The section on decorating with candles offers beautiful tableaux of

candles used in country, romantic, classic, ethnic, and contemporary settings. The final chapter features step-by-step instructions for making dipped, molded, rolled, scented, pressed-flower, and painted candles.
