Jonathan H. Poston : The Buildings of Charleston: A Guide to the City's Architecture before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Buildings of Charleston: A Guide to the City's Architecture:

2 of 2 people found the following review helpful. Charleston, SC, Oh, Joy!By Favorite NanaA beautiful book of the architecture of one of my favorite cities--Charleston, SC. Charleston has so many historic buildings and this book illustrates the different architecture of this very old North American city. Lovely. You will enjoy looking at the pictures and reading about the styles and construction.2 of 2 people found the following review helpful. Excellent resourceBy Marianne SheltonThe Buildings of Charleston is a terrific resource for anyone seriously interested in the history and architecture of Charleston. I have used the information to put together my own walking tours when I visit the city.1 of 1 people found the following review helpful. ExcellentBy Jimmie Walsh-Export InspectionsBook received as described, on time, and in excellent condition. Book gives the ownership history of property in the city of Charleston.

Offering the present-day traveller a portable, street-by-street guide to the town of Charleston, this illustrated book focuses primarily on the architecture of this preserved cityscape. The guide divides the city into nine geographic areas, with an introductory essay, maps, and illustrations.
