This book is a tour of the best apartments in the worldBy Design loverThis book is a tour of the best apartments in the world! From the elegant and edited to the eclectic and exotic the photography is exceptional and each personal style view point an inspiration. Unlike so many single designer books that are vanity love letters to themselves, this book provides a wide world of inspirational tableau that encourage one to create a personal Chamber of Curiosities as a shadowbox of life.0 of 0 people found the following review helpful. Lots of wonderful ideas illustrated with great photographyBy elizabethBeautiful book, great ideas.

Today's glamorous chambers of curiosity are to apartment design what the dandy is to fashion. The most fascinating apartments have always been those that reflect the essence of their interesting occupants. These apartments function as showcases for indivi
