By cas n. very nice book! breaks uses and planting times down. very comprehensive. i just wish it had pictures instead of drawings. that's the only complaint i have. i will put this book to good use! 8 of 10 people found the following review helpful. A wonderfully way of connecting with herbs By Susan Gregg I loved her writing style and the way she expressed her connection with nature. I look at my garden from a totally new perspective.

In practical, down-to-earth language, this guide explains the basics of designing a charmed garden, the importance of the four elements, and magical ceremonies and offers a multitude of ideas for specialty gardens.

About the Author Dianne Morgan is a professional writer of books on Eastern religious traditions and about pets. Her other books include "Magical Tarot, Mystical Tao" from St. Martins Press.
