**Warren Schultz : The Chemical-Free Lawn: The Newest Varieties and Techniques to Grow Lush, Hardy Grass** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Chemical-Free Lawn: The Newest Varieties and Techniques to Grow Lush, Hardy Grass:

2 of 2 people found the following review helpful. Wonderful lawn book!By Amanda J. KaakeThis is a nice little book loaded with information on how to have a truly healthy lawn. It talks about taking care of the soil instead of just trying to treat the grass. Wonderful, wonderful book for anyone who has lawn problems.

This easy-to-follow, comprehensive how-to book provides all the information needed to grow a trouble-free lawn or revive an established lawn--without the use of harmful chemicals. Photographs and illustrations throughout.
