Romaine Lowery : The Clutter Clinic: Organise Your Home in Seven Days before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Clutter Clinic: Organise Your Home in Seven Days:

With much needed guidance on de-cluttering and reorganizing your home or office, this complete clinic is the much-needed answer that every muddled person has been waiting for! Practical, inspirational, and colorfully illustrated throughout, this guide to restoring order examines each room of the house individually, and includes unique ideas for recycling, labeling, color coding, and a whole range of space-enhancing tricks. There's even an extensive shopping directory of retailers, mail order companies, and websites that sell everything you need to get organized from great storage options to dual-purpose furniture by new young designers. With strong before-and-after visuals, these easily achievable suggestions will simplify even the most overwhelming task.

'THE CLUTTER CLINIC will fill you with inspiration to blitz your cupboards... this book is set to become the best de-clutter junkie's bible.' BEAUTIFUL KITCHENS 'Is your home full of stuff that you never use? Let Lowery in to clear out that clutter.' HEAT 'this book is a must. Fabulous tips and products will transform your house into a haven of space in a jiffy.' PERIOD HOUSE About the Author Romaine Lowery is a professional organiser who advises clients on decluttering, reorganising, choosing the right storage products and how they use the space they live in.
