B. Eastwood : The Compendium of Cranberry Growing - Volumes 1 and 2 before purchasing it in order to gage whether or not it would be worth my time, and all praised The Compendium of Cranberry Growing - Volumes 1 and 2:

All aspects of cranberry cultivation are dealt with in this handy volume written by various experts on the subject.

Thoroughly recommended reading for the budding gardener, it contains a wealth of information forming a complete how-to guide. Illustrated with black and white photographs and diagrams. This book contains classic material dating back to the 1900s and before. The content has been carefully selected for its interest and relevance to a modern audience.
