Looks really interesting By Charles Hall This book looks really interesting. I have not studied it deeply, but "Eddie" certainly seems intent on teaching you the business. He includes plans for a

simple door rig to put your test locks on and suggests you put in somewhere you can test your skill throughout the day as you walk by. I'm no locksmith, but this appears to be the real deal, but you'll have to work at it. Oh, someone else commented it lacked drawings. It seems pretty well illustrated to me. I was pleasantly surprised. 0 of 0 people found the following review helpful. Five Stars By Customer Husband loves it learning a lot

Learn how to open all kinds of locks, plus how to thwart tampering with locks to protect your valuables. This book is intended for legal entry only, but you'll gain confidence knowing that you can get in through any door without a key!
