Two bestselling booksnow in one comprehensive volume! Together, The Art Craft of Stonescaping and The Art Craft of Stonework make up the best beginner-friendly guide available for anyone wanting to build stone walls (freestanding, retaining, dry-stacked or mortared), steps, benches, paths, patios, and borders. Any duplication in the tools and technique chapters has been eliminated, while a brand-new gallery of projects offers ideas and inspiration. Featuring lots of how-to photos, informative illustrations, and practical projects, this giant resource is a must-have for

homeowners' reference libraries.
