Cherry Dobson : The Complete Guide to Upholstery: Stuffed with Step-by-Step Techniques for Professional Results before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Complete Guide to Upholstery: Stuffed with Step-by-Step Techniques for Professional Results:

Has your couch lost its fluff? Has a button popped off a cushion? Now you can learn to fix all these furniture mishaps yourself with The Complete Guide to Upholstery. This is the complete resource for upholsterers at all levels of experience, offering invaluable advice and expert reference for all kinds of upholstery projects. Whether traditional or modern, a fixer-upper or something you want to revitalize with a new look, you'll find all the necessary techniques that

apply to all your upholstery projects. Each technique in the book is fully explained with easy-to-follow instructions, step-by-step photos, and detailed diagrams for extra clarity. With this book you will learn: -To build knowledge and skills: from choosing the right tools and estimating yardage correctly to making covered buttons, and reinforcing sagging webbing, this book shows you the skills and techniques you will need for success in all your projects.-Step-by-steps: Easy-to-follow instructions, illustrated with clear photographs and diagrams explain the secrets of the most commonly encountered upholstery jobs--from simple tasks such as adding gimp to the more complex projects like stripping and re-upholstering a chair.-Cutting plans: Use this section as a guide to plan how to measure your project and how to cut fabric to minimize the quantity you have to buy. You'll even pick up some expert advice on what to look for when buying furniture secondhand and how to diagnose what's fixable and what's not. This extremely comprehensive reference book teaches you the skills to create professional-looking results on any upholstery project you undertake.
