HesslerI found this book on a friend's bookshelf when visiting her, and I thought the step by step instructions were very good for pillows and mitred corners. Once I saw the copyright date, I wasn't sure I could find it, and how pleased I was to find it, and the condition of the book was great and it will grace my sewing bookshelf for many years with frequent uses.0 of 0 people found the following review helpful. Home DecoratingBy Leslie J. HallGreat info on many projects that I do.0 of 0 people found the following review helpful. Five StarsBy Michelle WilliamsGreat tips.

Book is in good condition!
