Delilah Smittle, Sheri Ann Richerson : The Complete Idiot's Guide to Year-Round Gardening (Complete Idiot's Guides (Lifestyle Paperback)) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Idiot's Guide to Year-Round Gardening (Complete Idiot's Guides (Lifestyle Paperback)):

0 of 0 people found the following review helpful. So Good but so hard to get an affordable print copyBy CustomerThis is the book you want to get if you plan on doing year round gardening. The authors cover so much and have detailed plans that you can build yourself. The book is very popular for a reason. If you can't get an affordable print copy, either get it on kindle or borrow a copy from your local library-the book is that good.1 of 1 people found the following review helpful. Five StarsBy christinaGood resource for gardening1 of 1 people found the following

review helpful. Save money
By V. Schmidt
With the price of food going up and up, I bought this book in order to join several friends in growing some of my own food year round. The instructions are simple enough for anyone to follow, and the satisfaction is tremendous. Vicki

Enjoy and benefit from the garden all year long. Whether it's onions in the summer, lettuce in the winter, or orchids any time, *The Complete Idiot's Guide(r) to Year-Round Gardening* covers every step of the process of both outdoor and indoor gardening. From seeds, soil, compost, equipment, and fertilizers to all types of covers and greenhouses, and even gardening and harvesting in root cellars during winter, this guide is a must-have for any dedicated gardener. Over 7 million households nationwide plan to grow their own fruits, vegetables, herbs, and berries. Trend has received a boost from Michelle Obama's White House garden- as well as from the desire to save money on food. The only book that covers both outdoor covered gardening and greenhouse gardening, as well as root-cellar gardening and harvesting. Author is an expert in the field of greenhouse gardens.

About the Author
Delilah Smittle is an editor and writer specializing in gardening and hobbies. She has edited and written articles for *Flower and Garden*, *Fine Gardening*, *Organic Gardening*, and other magazines.
