Stephanie Donaldson : The Complete Practical Guide to Small Gardens: A Complete Step-By-Step Guide To Gardening In Small Spaces: Everything You Need To Know About Planning, Design And Planting before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Practical Guide to Small Gardens: A Complete Step-By-Step Guide To Gardening In Small Spaces: Everything You Need To Know About Planning, Design And Planting:

0 of 0 people found the following review helpful. Excellent Gardening projectsBy Gregory G DELial first checked this book out at the library and found it a must have for my collection of gardening projects. There are so many cool, easily

doable, and bountiful ideas within this book! Even though it focuses on small gardens and small garden areas, many of the projects can be implemented into larger gardens and stylish additions to landscaping. Recommend for beginner to advanced gardening. ESPECIALLY recommend to the apartment or studio space gardener!!!

Everything you need to know about planning, designing, planting and embellishing a small garden and how to put your ideas into action.
