David Squire : The Compost Specialist: The Essential Guide to Creating and Using Garden Compost, and Using Potting and Seed Composts (Specialist Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Compost Specialist: The Essential Guide to Creating and Using Garden Compost, and Using Potting and Seed Composts (Specialist Series):

0 of 0 people found the following review helpful. Information manualBy Kindle CustomerLots of good information. Gave it to my daughter who has turned into a Florida gardener, no pesticides, natural elements only.0 of 0 people found the following review helpful. Awesome book. I have never seen a more usefulBy JulieAwesome book. I have never seen a more useful, practical, comprehensive, and visually engaging book on composting ever.0 of 0 people found the following review helpful. The Compost SpecialistBy Teresal'm new at composting, so this book is a real help and my whole family will be involved in getting a good start !

In our ecologically aware times, composting is one smart way to minimize our carbon footprint and help the earth. This new entry in the highly successful Specialist series gives gardeners all the guidance they need to start making, storing, and using their own compost. It offers Information on different types of compost and their ingredients, advice on constructing a compost bin, and detailed explanations of wormeries, green manuring, and seed and potting composts. There's no better or easier-to-follow guide for the eco-smart gardener!
