The popular author and broadcaster Anne Swithinkbank has written the definitive guide to conservatory plants and how to grow them based on her own extensive experience of growing plants under glass.

... lots of information for the aspiring conservatory gardener... would be well worth reading before you even start to build your conservatory Garden Answers ... will encourage the adventurous, lured by the enticing photographs, to roam far into the realms of exotic plants -- Fred Whitsey Daily TelegraphAbout the AuthorAnne Swithinbank is one of Britain's best-known gardeners, broadcasters and garden writers. Trained at Kew and formerly Glasshouse Supervisor at the RHS Garden at Wisley, she has presented many popular gardening programmes, including the Channel 4 series Bloom, Gardens of the Caribbean and BBC Gardeners' World. She is a regular panellist on Gardeners' Question Time on Radio 4. A prolific gardening correspondent for a number of national magazines and newspapers, she has also written several books. She lives in Devon.
