Tamara L. Hawkinson : The Desert Home before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Desert Home:

4 of 4 people found the following review helpful. Just Fine. By Michael S. Callister We bought three books to help us design the home we're building in the red-rock country of S. Utah. This one was OK, it helped but wasn't pivotal. Nice pictures. Might want to check it out at your local library before you purchase it. 1 of 1 people found the following review helpful. Five Stars By Schnozzly An absolutely gorgeous book. If only that look could be recreated without spending a small fortune... 1 of 1 people found the following review helpful. So really great photos By Jacobus Brummer This was my first book into an entirely different style of architecture, and some really great photos to accompany very informative text

Western art and architecture idea book featuring upscale southwest homes

About the Author Hawkinson is a freelance writer. Terrence Moore contributes to Smithsonian and Sunset. His work has been featured in several books. He lives in Tucson, Arizona.
