I does not show you how to make the window treatments but its a guide for yardage so you will have an idea of how many fabric to buy. It have lots of beautiful pictures of window treatment.

Over 2,000 decorating ideas for windows, bedding and accessories- including draperies, shades, blinds, shutters, verticals, bedspreads, pillows, cushions and more. Blending current, popular styles with extraordinary new approaches, the fifth edition of *The Encyclopedia of Window Fashions* is a must have for designers, from beginner to expert. With more full-color illustrations than ever before, this book presents myriad window treatments for any room in any home from the most simple to the most challenging. Now 300 pages, which include detailed illustrations, cost-saving ideas, yardage and fullness charts and much more. Finally, a new comprehensive update for the book that has become the industry standard for decorators and homeowners alike. Now in its sixth edition, this all-inclusive pre-eminent decorating book has been reworked for the new millennium, including an expanded historical section, new styles and calculations, more comprehensive information about treatments and accessories, and of course, the visual index, a terrific means to colorize any window treatment or accessory in this book to your own interior color palette.

"Finally, a well organized easy-to-use book on window treatments." --Joy A Gilbert, Interior Designer
"Endless combinations and imaginative schemes are portrayed by fusing tops, tiers, draperies, miniblinds and shades to create fanciful decorative motifs" --Home Textiles Today
About the Author
Since he began in the soft furnishings business in 1976 as a drapery installer, Charles Randall has become a best-selling author and the world's leading authority on window treatments. After a successful sales career he started a window decorating and manufacturing company and to date, Charles has decorated more than 60,000 Southern California windows. In 1987, he revolutionized the interior design world, writing *The Encyclopedia of Window Fashions*, a comprehensive book on window decorating that has sold more than one million copies and become an international bestseller.
