From Brand: BookSales Inc : The Encyclopedia of Woodworking before purchasing it in order to gage whether or not it would be worth my time, and all praised The Encyclopedia of Woodworking:

This is the essential reference guide for the home woodworker. Divided into four sections, the book explores everything from buying timber to hand and power tool maintenance, workshop layout and health and safety. It also includes step-by-step projects for all ability levels complete with full-color illustrations. Essential reading for the beginner and advanced technician alike.
