Michael Allaby : The Environment (How It Works) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Environment (How It Works):

0 of 0 people found the following review helpful. Five StarsBy Lissa ParkerBeautifully illustrated, engaging, and informative book. Highly recommended for grades 3-7.

New fun educational softcover book. One you and your child will love. Has a wrinkle on back cover, however, from putting on shelf. Clean, crisp, no marks. Thank you for considering Whispering Pines for your purchase. Satisfaction guaranteed.
