Ken Norman : The Essential Bonsai before purchasing it in order to gage whether or not it would be worth my time, and all praised The Essential Bonsai:

This practical and handy guide is packed with projects on how to grow and care for these miniature trees.

About the AuthorKen Norman has a renowned private collection of bonsai on permanent display in Sussex, England. A past chairman of the Federation of Bonsai Societies, Ken is a Chelsea flower show gold medallist and has been a regular exhibitor there for many years.
